### **I CAN WORSHIP IN YOUR HOLY TEMPLE AND BOW DOWN TO YOU IN REVERENCE**

As of 1<sup>st</sup> July 2020, the NSW Government has further eased restrictions to allow more people to attend church; the only restriction that applies is the 4m<sup>2</sup> rule (one person per 4 square metres) and 1.5m of physical distance. In compliance with these regulations, our Church can now accommodate up to a maximum of 80 attendees. Those attending will be required to provide their name and contact details (phone or email) when they enter the Church so that they can be used for contact tracing (as per government requirements).
